

Welcome to Ynyshir's wine selection. We have chosen a number of wines that we love from around the world. It is always changing and evolving depending on what we have newly discovered, as well as introducing some special bottles that have been in our cellar.

All wine bottles are standard size unless otherwise stated. Our standard glass size is 125ml, however we can serve 75ml, 175ml and 250ml on request, as well as a carafe of half bottle size for a number of wines (please ask for further information). Sake, port and sweet wines are served at 75ml.
