# EXCLUSIVE HIRE Ynyshir

Book the full dining experience for up to 18 guests. Arrive at the restaurant at 3pm, with the dining experience commencing at 5.30pm.

## What's on offer!

A 1 night stay in Wales' first 2 star restaurant and the best restaurant in the UK (2022). Arrive from 3pm and be blown away by an introduction to the restaurant. Make yourselves comfortable in the bar/lounge and enjoy a well deserved drink after that long journey. Ynyshir sits on 14 acres of stunning gardens, so why not take a little walk around, before getting ready and heading back to the bar for a pre-dinner drink at 5.15pm.

Dinner starts at 5.30pm - a spectacular dining experience that takes approx. 4-5hrs. Don't forget that this kitchen doesn't accommodate any dietary requirements - so keep that in mind when the invites go out! :)

You'll have Nicola, our Operations and Events Co-ordinator, helping you every step of the way organising room allocations and helping with any general enquires you may have along with Rory, our Beverage Director, assisting with your wine selection! He'll discuss your requests and he can source specific wines to meet your requirements.

You and your guests will have exclusive use of Ynyshir Restaurant and Rooms, with 9 spacious bedrooms including our stunning garden rooms.

## EXCLUSIVE HIRE Ynyshir -BBQ STRETCH

### BBQ - Ynyshir Style!

A venue that will truly wow your friends and family with what is, in our opinion, the worlds best BBQ setting. Our outdoor stretch tent, set within our stunning grounds, - with music, attractive lighting and solid Welsh oak topped bar and central kitchen. We use only the best ingredients in the world, and an Ynyshir BBQ is not to be missed - A5 Wagyu beef, local Lobster, Welsh Lamb, Japanese Blue Fin tuna are just some of the incredible ingredients cooked up over the fire. This would be a great addition to a weekends stay over.

With the ability of tying the 2 experiences into 1 crazy weekend. Think incredible settings, and outstanding food cooked by the UK's best chef - Gareth Ward and his dedicated team. The bar can be stocked with a tailoured selection of your members favourite beverages. Again, I'll be on hand to aid with all the co-ordinating and will create that streamline agenda as mentioned previously.
