

Welcome to Ynyshir's wine selection. We have chosen a number of wines that we love, from around the world. It is always changing and evolving depending on what we have newly discovered. We also introduce some special bottles that have been ageing in our cellar.

All wine bottles are standard size, unless otherwise stated. Our standard glass size is 125ml. However, we can serve 75ml, 175ml and 250ml upon request. If you would like to try more, we also offer a half bottle carafe, for a number of wines. Sake, port and sweet wines are served at 75ml and upon request, can also be smaller.
